

Suggested introductory text for your voice greeting.

---

Hello there!

My name is (.....) and I love to produce podcasts talking about my favourite interests such as (pl mention 3-4 subject matters chosen from your list).

Podcasts perfectly allow sharing the magic of storytelling and that's why treasure the medium of audio.

Sending BrandAudio greetings from (your city)

---

The clip should ideally contain the following sequence:

1. Speaking in your mother tongue (super important).
  2. Introducing yourself by name.
  3. Sharing what 3-4 topics/subject-matters interest you most (as chosen from the list below)
  4. Bidding your farewell from your city in the name of BrandAudio
- Please use your normal studio voice.
  - There is no need for any background audio, jingles etc.
  - You can send more than one clip if you want.
  - And did I say it's important you speak in your mother tongue?
  - When all done, please send me your audio clip as an uploaded [WeTransfer](#) mp3 file to my email:
  - [dvd@brandaudio.online](mailto:dvd@brandaudio.online)
  - I will confirm receipt of all your infos and audio clip by return.

Thank you, Darryl
